Welcome to First InfoSource, a web-accessed database of current MO DMV records, and a truly innovative resource, with flexible searching, instantaneous results, and cost-effective pricing plans. The best way to appreciate our product is to experience it with no limitations, which is why we are offering you this free trial.

Please Note: The username and passwords are not case sensitive. To gain access, simply click the FIS hyperlink (above) and enter the Username & Password listed into the Login Box located at our web site. From there you will have 2 permissibility screens to choose the reason for your searches, and then click the Missouri icon to go to the searching interface.

This agreement for user credentials into the First InfoSource system is valid, as agreed upon within this document, and complies with all State and Federal laws. The rules set forth herein shall govern the retrieval of said information from First InfoSource and shall continue in perpetuity.

The term and access price are as follows:

MVR'S include driver, vehicle, and boat ownership information. To access driver these records, the subscriber agreesto be D.P.P.A. compliant and agrees to terms of use. If subscriber accesses motor vehicle records ("MVR's") from First InfoSource, Subscriber agrees to the following:

- A. Access to Driver and/or Motor Vehicle Data: The Driver's Privacy Protection Act ("DPPA") as well as State laws that restrict the use of driver and/or motor vehicle data to certain "permissible uses". Subscribers who access driver and motor vehicle data shall require its employees to acknowledge compliance with these laws and only permit them to access driver and/or motor vehicle information for the specific <u>D.P.P.A.</u> permissible purposes, approved by First InfoSource.
- B. Subscriber shall employ commercially reasonable procedures to track and audit employee access to and use of the "MVR" data and investigate any allegations of misuse of the data in full cooperation with First InfoSource. The subscriber understands and agrees that in order to ensure compliance with all Federal and State laws First InfoSource may need or be required to conduct periodic reviews or audits.

In no event will Insurance Information Services and/or First InfoSource be liable to Subscriber for any other damage, consequential damages, omissions, or any other costs and expenses whatsoever except as expressly agreed to here and above. Additionally, Subscriber hereby holds harmless all directors, officers, employees, agents, or suppliers of First InfoSource for any injury or damages because of First InfoSource furnishing such data or information to Subscriber as set forth here and above.

Subscriber shall indemnify, defend, and hold First InfoSource harmless from and against all costs and liabilities, which may be asserted or assessed against First InfoSource based upon the improper use by Subscriber of MVR information, or any other information furnished to Subscriber by First InfoSource.

First Info Source pricing is the same or below that of the Missouri State Fees and much reduced from most other retailers. There are no membership fees, no monthly minimums, and no charge for no hits, in cases where you are inadvertently searching for erroneous information.
